DIGITAL MARKETING

ABOUT ME

I am a Digital Marketer with practical experience in Google Ads, Meta Ads, GA4, and Google Tag Manager . My skills include keyword research, on-page SEO, off-page SEO, Local SEO, technical SEO, content writing, and website optimization. I also have knowledge of HTML, CSS, and frontend development. I aim to help businesses improve online visibility, generate quality leads, and achieve better marketing results. I am interested in pursuing a career in Performance Marketing to optimize ad campaigns, improve conversion rates, and maximize return on ad spend .

INDUSTRIAL TRAINING

I have completed a 3-month industrial training program at IICEA Pvt. Ltd. During this period, I gained practical knowledge, developed professional skills, and enhanced my understanding of industry practices. This training helped me improve my problem-solving abilities, learn new techniques, and build confidence in a professional work environment.
